Ramona	September 13
Coldwater	September 26-28
- Many local sporting events

One of our members mentioned a trip to the "Cheltenham Rocks or Badlands" which is in the Caledon area. This interesting site might be a good field trip for the club in the fall.

We are currently working on a 2-3 hour outing in the Orillia area. The time and place will hopefully be announced at our next meeting.

Until then, keep taking lots of pictures and enjoy a great hobby!
